SPECIAL RESOLUTION

AGM January 25, 2021

The board of directors has approved the following revisions to the Canmore Community Cruiser Bike Share Society objectives that demonstrate that it is established exclusively for charitable purposes.

The board proposes a special resolution to repeal the existing purposes filed July 28, 2017 and to replace them with the purposes below.

REVISED VISION

Our vision is to ensure people of all ages, abilities, and financial means are comfortable choosing cycling as their preferred way of getting around in the Bow Valley.

REVISED PURPOSES

- To advance education by educating the public on bicycle and road safety, bicycle maintenance and repair, and the benefits of bicycling.
- To protect the environment for the benefit of the public by operating a workshop in which bicycle maintenance will be provided to the public, and used bicycles will be refurbished and redistributed to the public or recycled.
- To relieve conditions associated with the aged or with disabilities such as loneliness and isolation by providing specially adapted bike rides.
- To do all such things as are incidental or ancillary to the attainment of the above purposes.
